In this edition

We hope you all had a Merry Christmas and are looking forward to 2010, in what is set to be an exciting year in football and here at The Football Trade Directory.

In January 'The 2010 Football Trade Directory' paper edition will be released, the third edition. Also with the World Cup beckoning there is no doubt it is a crucial time for everyone involved in football.

But for now we hope you enjoy this week's newsletter and have a very happy New Year.

Host cities help World Cup bid

England's 2018 World Cup bid has been boosted by a significant injection of funds, with each of the 12 host cities chosen as part of the bid contributing £250,000.

Work on new stadium for Evesham starts soon

WORK on Evesham United's new stadium is beginning in the new year. More than six years of hard graft behind the scenes is about to come to fruition when the first steps towards the Robins' new home are taken in the second week of January. The Zamaretto Premier Division club's stadium will feature a 300-seat main stand — enough to satisfy Southern League criteria — a covered area behind one goal, parking and a function room.

Worlds oldest club looks for its history

Sheffield FC is interested in tracking down as many ex-players, managers and officials of the club as possible. We would especially love to find the current oldest living ex-player. The purpose of this exercise is to trace as many players as possible to build up a complete historical archive of the club's activities on the pitch.
